

Rosina Pissaco

Product Designer

www.rosinapissaco.com www.linkedin.com/in/rosieprofile 07555985216

In my +10 years of experience, I'm grateful to have worked on amazing projects for both start-ups and large corporations. My focus is on designing user-centric products and taking data-driven decisions in collaboration with engineers and managers to support business goals and user needs.

Experience

Product Designer at Nestegg Fintech

APR 2023 - PRESENT - UK (REMOTE)

Lead Product designer, working with engineers to build of B2B and B2C products for credit unions in UK and Canada.

Product Designer at GAT · B2B

APR 2022 - PRESENT - LONDON (REMOTE)

My team focuses on the implementation of Machine Learning and Artificial Intelligence to improve our platform's product capabilities. This enables customers to run tests in 105 countries, with over +40,000 people using devices in real environments

Senior UX/UI Designer at Barclays UK · B2B

APR 2021 - AP 2022 - MANCHESTER (REMOTE)

Worked on complex UX problems. I run team workshops, ensuring we were on the same page with stakeholders. I visualised our solutions through prototypes and wireframes, then tested them for feedback. I kept the Design System documentation updated and clear.

Senior Product Designer at Hatchster · B2C

APR 2020 - MAR 2021 - LONDON (REMOTE)

Early-stage startup working as a solo designer creating end to end products.

Product Designer at Sidekicks Inc. · B2C

SEP 2019 - DEC 2019 - SAN FRANCISCO (REMOTE)

Early-stage startup working as a solo designer creating end to end products.

Product Designer at Songclip™ · B2C

JAN 2017 - OCT 2019 - SAN FRANCISCO (REMOTE)
